July 2022

Dear Friend,

The Eagle Cold Case and Missing Person Institute (ECCMPI) and the Unfinished Files are hosting the Second Annual Day of Remembrance on September 24, 2022 at the Cattail Shelter in Saluda Shoals Park in Columbia. The event will commemorate victims of homicide.

We ask that you support this event in the following ways:

Join us from 11am-2pm at the Cattail Shelter for a time of ceremony and community. *Pre-registration is requested.*

Become a Sponsor and receive recognition at the event and in the virtual commemorative journal.

Place an ad in our virtual journal expressing your encouragement to those who have suffered a loss or share your memories and images of a loved one lost to homicide.

Complete the form found on the enclosed brochure and mail it to ECCMPI. Become part of this extraordinary day.

The ECCMPI is an innovator in providing a “Task Force” approach of data analysis and best practices in proactive investigative methodologies. With a growing number of cold cases and missing person cases across the United States, your support is essential to our continued success.

ECCMPI is proud to be working to facilitate the solving of unresolved homicide cases in South Carolina and across the nation. Families of those lost to violence may one day know the truth and be able to begin their journey of healing.

For your tax records, the ECCMPI is a 501(c)(3) public charity. Federal Tax Exempt ID Number is 83-1886274 and the fiscal year ends December 31st.

Thank you for your support.

Sincerely,

Tyler Ryan
